Fabien, I have an idea!  
Let's go to the pool!

That sounds  
refreshing!

Wait! We need a plan.  
First we need goggles.

Get those  
goggles!

Wait! We also need  
floaters!

Get those  
floaters!

Wait! Next we  
need a bathing  
cap!

Get that  
bathing cap!

Wait! We have to  
get a bathing suit!

Get that  
bathing suit!

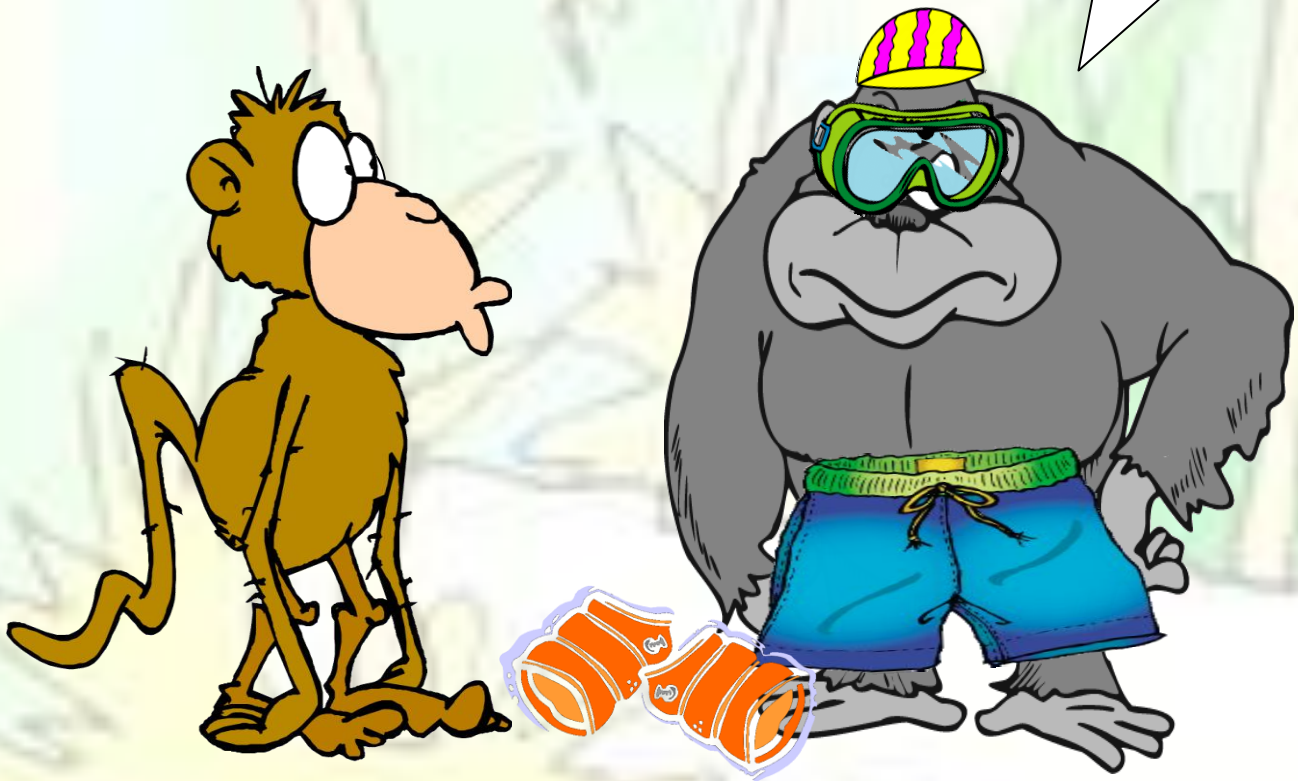

Wait! Finally we  
need water!

Get that water!

I said get that  
water!!!

We don't have  
water.

Oh Noooooooo! What  
are we going to do?

We could play  
checkers!

Who needs plans  
when you have a  
monkey for a  
friend?
